## UNITED METHODIST CHURCH OF DANBURY

### FINANCIAL UPDATE

Happy start of summer everyone!

This has been a long difficult winter and spring for many of us and I pray that we all fared well. As the finance chair I would like to update the congregation with some good news, some concerns and just a general outlook of our church finances.

The good news: Having services downstairs during the winter months continues to help us save on heating costs. The trustees have been diligent in keeping track of the heating usage in the church and, making sure the heat is turned off when a room is not in use as well as utilizing the timers and speaking to the space users on their heating usage. That has resulted in our heating costs going down this quarter compared to the same time last year. The trustees have also been able to collect the space use charges in a much more timely fashion. Pastor Kim as well voluntarily did not take a pay increase this year. We have also kept up with payments for the roof loan.

The not so great news: Costs are up, not due to anything we are doing, we have been operating at the minimum for some time and continue to do so. But costs of things like oil, we had more snow removal than the previous year, our insurance bill was delayed in being sent to us last year, so that cost went on to this year's budget, medical insurance and other expenses set by the conference have increased as they have for a great many people and our apportionments have increased. None of these increases are in our control but they do affect our operating budget.

Our overall financial outlook: we are in a tight position right now. There have been years where it was worse but more often than not, by now we should start seeing some relief due to the winter months being over and we are not seeing that as of late. Fundraising is down at this point from where we were last year as well. General repairs and other large ticket costs are also looming in the near future, a new hot water heater for the church for example. That is cause for concern. In light of our very tight finances, it is very important that people do their best to keep up with pledges, especially as we move into the summer months. We also appreciate your support of our fundraisers. In our present situation, fundraisers become critical to help us with our budget gap.

Our church and congregation continues to do wonderful things and that is worth celebrating, covenant to care, ASP, Thursday night Life, Dorothy Day, clothing drive, etc. As Methodists we "continue to heed the lessons John Wesley taught his followers: to live lovingly and justly as servants of Christ by healing the sick, feeding the hungry, caring for the stranger, freeing the oppressed; being a compassionate presence, and working to develop social structures that are consistent with the gospel."

We promise to continue to keep you posted and will update you again mid-summer. Please feel free to contact me with any questions.

Yours in Christ,  
Tonya Clark  
Finance Chair

## **ANNUAL CONFERENCE UPDATE**

One of the hallmarks of our denomination is its' democratic organization. We are divided into Annual Conferences, governed by a Bishop. Each Annual Conference meets annually to plan program, set direction, and approve a budget. This year's Annual Conference will be held June 7-10 at Hofstra University on Long Island. Pastor Kim will attend as required. Our church has elected Bev Anderson as our lay delegate, and she too will attend. We hope to include a summary of Annual Conference highlights in our next newsletter.

**THE "TRUE" STORY OF MOSES AND THE JEWS**  
FROM JOSEPH TO JOSHUA, THE EXODUS TO THE REDEMPTION IN THE HOLY LAND  
**THURSDAY EVENINGS, JUNE 14 AND JUNE 21 - 7:00P-9:00PM**

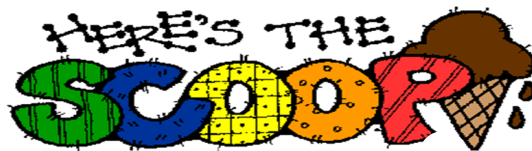

Topics to be covered:

- ◆ It starts with Joseph, not Moses.
- ◆ The prelude to Moses and the Exodus.
- ◆ The story of Moshe (Moses) as told in the Old Testament (The Torah).
- ◆ Moshe as tribal leader, political leader, law-giver and problem-solver.
- ◆ His struggles with those Stiff-Necked People.
- ◆ Hitting the rock and the Final Event.

Over the course of two 2-hour sessions, we'll learn through print, artwork, video and song, who Moses was, how he became the Great Law-Giver, and how he led the people through the Wilderness to the Holy Land.

We'll use the ancient sources that are considered God's words by many people and compare them to the modern depictions of Moses and the Exodus.

An interesting and fun time is guaranteed for all. Gerry Hecht will lead us in this study.

Come ring out the Sunday School year and ring in the SUMMER with our annual Ice Cream Social. Join us in the Narthex after worship on Sunday, June 3 and make your own Sundae!
