Message from Pastor Kim

The Holy in our Midst

One surprise that God reveals to us at Christmas is that God feels very much at home in a humble address. In the Christmas event, God manages to plant majesty in a manger. Another surprise to be found is that not only is God at home in a humble address, but also in a secular setting. In the words of retired Bishop Melvin Wheatley, the God of Christmas is a “this worldly” God:

- who meets us in a baby’s low cry as well as the vastness of the universe;
- who is just as much at home in the acrid odors of the stable as in the incensed atmosphere of the sanctuary,
- who is with us in the sweat hours of toil as well as in the sweet hour of prayer;
- who uses our secular activities quite as much as our sacred liturgies to accomplish holy intentions.

During Advent and Christmas, the common pastoral wisdom is : Don’t get go busy you forget the true meaning of the season. But we all know, don’t we, that many of us enjoy decorating our homes, having friends and family over, sending greetings. This is part of our holiday routine. These are our traditions. And we are not going to give up our traditions, even if it does make us busy.

Perhaps we need to think not so much of giving up our routines to find God, but in letting God find us in the midst of our routines. Perhaps we need to think not so much in terms of finding extra time for prayer, which is always a good thing, but how about trying to make ordinary daily moments prayerful times? After all, how do you create love and generosity except by living them? How do you live them except in relationships? And what are relationships made of outside of our daily routines, and that includes decorating our homes, having friends over, sending greetings, participating in worship services, sharing with those in need. Perhaps what we need to do is not eliminate our routine but to illuminate it.

Pastor's Message, continued

As we prepare this Advent season to make room in our hearts and lives for the gift of the manger, may we remember that the Holy is already here: in our hearts, in our relationships, and even in our daily routine. Instead of trying to create extra moments, let's turn all our ordinary moments into prayerful ones by simply being kind and thanking God for the gift of Jesus Christ.

Blessings, Pastor Kim

Aasta Moser Award 2015 Recipient—Cliff Davis

Each year the United Methodist Women give a donation in the name of the recipient of our Special Membership Award. This award money is used for mission. Our honoree also receives a pin and a certificate. The Special Membership Award at the Danbury United Methodist Church is called the Aasta Moser Award.

This year's recipient is Cliff Davis. Cliff became a member of the church, in 2001, when he was confirmed. He is the youngest person to receive this award. He has served our church as a member of the Altar Guild, the Dive Team, the Green Team and as a regular helper at Thursday Night Life. He has played the drums with the Praise Band and is a bell ringer with the Bell Choir. He continues to be an advocate for the homeless and he has served the clients of Dorothy Day for seventeen years. This year he has been an invaluable member of the team that coordinated the Contemporary Worship Services during the winter and summer. His help, participation, and willingness to learn the technical skills needed for visual projections were greatly appreciated. Congratulations, Cliff!

Four more weeks till He arrives.....

Three more weeks till He arrives.....

This is the first phrase of a song from my youth that the choir frequently sang each week during Advent with the number of weeks changing each week. Before you know it we will again be in Advent and waiting with great anticipation for the birth of Jesus.

Won't you consider joining the choir for the Advent and Christmas season? We would love to have you join us! There are no requirements other than to be willing to lift your voice in song. So join us for the month of December.

Please see Carol Spaulding (203-778-4066) or Barbara Kunicki (203-746-5814) for more information! See you in the choir!

Best Wishes and God's Blessings

Trustees Report

November Meeting Notes

There was a proposal by A & N construction to use steel post to reinforce both beams (6" x 8" in size and 3/8" thick). Questions were raised regarding the merits of this proposal as the pipes were not capable of supporting the roof by themselves and were reliant up being bolted to existing columns (one of which is rotten).

It was suggested we go back to Cenaxo with the idea that there is a second proposal from A & N and possibly we could renegotiate new terms with Cenaxo. An alternative suggestion was made for a neutral party be brought on board to view these proposals and it was suggested we contact Peter Sierup, a structural engineer, to review both proposals and make a presentation to the Trustees on his recommendations.

Larry brought up the painting of the church doors, which need another coat.

An arrangement has been made for a company to plow the parsonage driveway and walkways with payments made per plow.

Meeting adjourned 8:30.

Police Investigate Recent Vandalism and Thefts at Danbury UMC

Beginning in Sept., strange things turned up missing in our church building. First it was wreaths, candy apples, and horseshoe pumpkins that had been made for our Pumpkin Festival. Then the large old chair that had been sitting in the narthex suddenly disappeared. Most recently, flowers on the altar in honor of someone's birthday disappeared. At first, it seemed that perhaps someone had picked up the items for the Pumpkin Festival with a plan to pay later. But as other items started disappearing, the situation became more of a concern.

The Trustees phoned the police on Nov. 23 to report the missing items. The Chair of the Trustees walked an officer with the Danbury Police Dept. around our building to show him where items had turned up missing and what the items were. The officer made a list of all that had been taken and will continue to monitor the situation.

In the meantime, to use a familiar phrase, if you see something, say something. These thefts are taking place in our church home and in God's House.

*If we keep Christ in our
heart.
Christmas has no end.*

Thank you to our hard working Altar Guild. The altar was especially lovely for Thanksgiving!

Outreach

This is a busy season for the Outreach Committee:

Thanksgiving Bags were filled and delivered (see Phyllis Tranzillo's article below).

26 Salvation Army "Angels" have been distributed. The angels list the gifts that less fortunate children would like for Christmas and will be delivered to the Salvation Army by December 11.

Shelter from the Cold started in a new location this season. We are at the St James AME church on William Street. It is a very comfortable location and the folks seem to like it. It can comfortably seat 60 people. We don't have a huge storage space there, so I need to bring everything with me, food, serving utensils, etc. We can always use donations of any of the following items: plastic plates, plastic cups, plastic ware, hot cups, napkins, paper towels, egg nog, whole milk, juice, as well as gloves and socks. While you are shopping this season, please keep your eyes open for gloves and socks.

Covenant to Care

On Monday Bev Anderson and I delivered 42 filled grocery bags to our social worker at DCF to distribute to at-risk families in our community. 42 bags! That is a record number since I have been doing Covenant to Care. Thank you, thank you, thank you!

Sharing our blessings is what we are called to do as Christians. Reaching out to those in need is part of who we are as Christ's Church. One of the things I am thankful for this Thanksgiving is my generous, caring church family. I appreciate your willingness to do God's work by helping those who have less. I am grateful for your response to my requests for help. You, my church family, make my job easier and more enjoyable. I am thankful to be a part of a church family that demonstrates their love of God by loving their neighbor.

Wishing you a blessed Thanksgiving.

With much gratitude,

Phyllis Tranzillo
